“ Karen was such a warm, caring, sharing person, it wasn't hard to feel very close to her. We thought of her as family. She always had a kind word. Karen loved the Lord very much. To see and hear her talk about the Lord would always bring a smile to our hearts and brighten up our day. She is a friend and sister in the Lord that will truly be missed.

“ I am so glad that after getting to know Karen as a neighbor, I was able to call her 'friend'. As our friendship grew, we shared happy occasions, times of grief, and many prayers. One of the best things I loved was being able to share our strong faith in God. She had a big heart and I will miss seeing her outside tending to her beautiful flowers. I'm thankful that her earthly body that was failing is now a heavenly body, whole and healthy.
