“ *Gia,*

I don't know if you remember me from so many years ago in Henderson, when we played together as children. I remember your parents, and how very welcome your mother made me feel when I visited your home. I was sorry to see the obit in the online Henderson Gleaner; sending kindest thoughts to you at this difficult time.

“ *We are truly sorry for your loss and wish that we could be there in person to offer our condolences. We know the last few months have been difficult for your mother and for you, as well, but she is now at peace and hopefully you will find some comfort in that. Our thoughts and prayers are with you during this difficult time and if there is anything we can do to assist you or to just lift your spirit, please let us know.*
