“ *Kaye never acted her age. She was always playing with the kids, hustling about the house but most of all she was one of a kind. She was the one that shined in a gathering; made everyone feel comfortable and could talk to anyone. She leaves behind many friends that will truly miss her little quirks, stubbornness and adventure.*

“ *Kaye and I worked a couple of times at the polls, and would see each other off and on. I loved her, she was funny and smart, a joy to be with - just an all around wonderful person. Love and prayers to all of you, Bobbie Ann and the rest of her wonderful family.*
