“ *What a shock to hear of Ken's passing. He was a great friend who I met through Robin Imschweiler. Ken was a frequent visitor in our home and a good time was always in store. Ken was very supportive during my journey with breast cancer, checking in to see how I was doing. He had a way of comfort me on the hard days. Send love and prayers of comfort during this very difficult time. May Ken rest in peace. Love you ol' man..

“ I had recently tried to email Ken and usually get a response in a week or so as we have kept in touch for many years now, so I thought about searching his home town and this is what came up. I am at a complete loss and deeply sorry for Gau and the children and the all the other kids . This is beyond any words i can find to express my shock and disbelief. Ken and I were in Afghanistan and even after I came home we were always in contact on the phone or FB or email but always close. He and the girls had come here and stayed for a couple of days for a visit and we really enjoyed the visit. I will remember it always.
 If time permits I would like one of the girls to reach out to me, thank you, and I am deeply sorry about "Ken my Friend",,,as I used to call him. gonna miss you Mister.John
