“ I had one of the best times working for Ken, Jo, Eric, and Winnie. Best memory was the IRS joke we played on Ken. His facial expressions were grand. Any problems with the machinery he would be there to help. Jo and family, there are no words of comfort right now. I am sorry that you have to go thru this pain, but laugh and/or cry at the memories you all share of Ken. He is always with you. I am praying for you all. ❤️❤️
