“ We went to the same high school and I hadn't seen Kenny for many years until he showed up to perform some cable services at my new residence. I was glad to see an old friend. He was always smiling and joking, he was a really good person and will be missed by all those who knew him. My thoughts and prayers go out to Kenny's family, God bless you during this difficult time and always.

Sincerely,
Donna Hite

“ Kenny, I already miss you so much! I know you would only want to see happy tears but my heart is sadden because I won't be able to hear your voice, your laughter, nor your jokes! You are in a better place but for selfish reason of my own I want you here so I can see you, hug you, and talk with you. You were are beautiful person, so kind, generous, and thoughtful of others. You were a GREAT father and your love for your children showed through everything you did, because it was for them. Your heart had been broken but your spirit was never shattered. You will forever remain in my heart and I love you dearly. May you rest in peace, dance with the angles, and wait for me at the pearly gates for I will see you again one day! Every night I shall look up into the sky and see the brightest star shining and that will be you smiling down on me. Twinkle Twinkle little star say Hi to Kenny tonight, I wish I may I wish I might he was hear with me tonight! See you soon! Love always, your cousin Linda (Lou Lou)

“ When I think of kenny it always puts a smile on my face. I remember one time I went to leave and got in my car and I had cable tied all around my steering wheel. I knew who had done it and cause he had been working on my neighbors cable. The next day I saw him he had that Kenny "I got ya" grin on his face...and he couldn't help but laugh...
