“ *I am so sorry you are having to experience the loss of the "light of your life". Our thoughts and prayers are with you. We can take comfort in the hope held out for us at Acts 24:15.*

“ *Dear Aunt Sue,*

*Just wanted you to know our family is thinking of you at this time and we are so sorry for your loss. I will always remember Uncle Ken lifting us kids up to touch the ceiling. He was alot of fun to have around. Cherish the good times and remember the fun you two shared. He will be missed. Love, Nancy*

“ *Wish we could be there to give you support, but I know you have Robert, Kay, and Linda there to be with you. Family is so important at a time like this. Our prayers and thoughts are with you as you go through this difficult time. Kenneth was a special person and he will be missed by many. Try and remember the happy times you had together for 46 years. You were blessed to have that time together. Let us know if there is anything we can do. Just lean on the Lord and let him carry you through this.*
