“ *Forever and ever, you will always be what Uncle Homer always called you, "Skinny" Ray. I was lucky enough to have grown up in your parent's home and be raised by your mom and dad. I remember all of us looking at the photographs of you in Japan while in the Air Force. Never knew there was so much snow in Japan? But there was because you were at a secret base there. You were too cool of a dude, too. Remember your car, a Mercury with a see-through top to it. And you could play and sing as good as Glen Cambell. You were my hero and someone who I tried to be like.*

“ Uncle Kenneth was a very friendly person. He came through a lot of things and he was better for it. He played guitar and sang . He was a religous man and loved to share the word of god . When he came to my house ,he always gave a 5 minute sermonette that was uplifting to me and my mom (his sister " Georgia May " . He will be missed by many and he is with his mother and father now in heaven . So many memories to say but I will hold them in my heart. Condolences to his sons (Scott and Stacy) and his only sister still living in Louisiana (Wanda Lambert).
