“ I will never forget you Kenny because you were such a friendly person and you always had a smile on your face no matter how you were feeling. My boys came to know you as well when you drove through our neighborhood because we weren't close neighbors but that did not stop you from driving by just to say hi! You will be missed dearly! Fly high with angels Kenny!!!!!!

“ Our family grew to include two nosey neighbors who wanted to hold our newborn baby girl 19 1/2 years ago.... Those two nosey neighbors soon became a vital part of our family. They helped me to raise that little girl and then were there for our son when he came along 5 years later. My children affectionately believed that "Nanna" and Kenny were related to us. Many days were spent with these two watching the kids play in the swimming pool and gathering veggies from both of our gardens. We grew the tomatoes...Kenny grew the lettuce. At nightfall, a toddler would take her bath and then wait for the garage light to come on. I'd call over and simply say..."she's on her way". And Nanna would look out her door while Kenny watched from the garage door until she made it over. She would ride her trike in Kenny's garage for an hour or so...and then he'd walk her home (about 6 yards door-to-door). Over the years, as our son grew - he definitely became the apple of Kenny's eye. They were just pals. Kenny would come pick him up on the weekends after they moved and take Elijah to mow the yards with him. Again...pals... Nanna and Kenny adored the kids. Even though they had moved away before our last child was born...they loved on her just the same. They even had a few toys from when the kids were little tucked away in a curio cabinet just to remind them of different times in the children's lives. You know the ones...the "gifts" that kids give to those they love. Nanna and Kenny valued those things just as if they were fine china. We are at a lost as to living the rest of our lives without the Pal being here with us. Kenny was a very decent and gentle man and will be greatly missed by our family. I thank God for the opportunity to have those lovely folks in our lives - and I thank God that they were nosey enough to come over and allow us the opportunity to love them as part of our family. Bless you Gary and Pancho. We love y'all too. ---Audrey Tapp, Elijah White, Madison White, and Salem White

“ Dear Kenny,

You were always such a friendly face to see at work. Anyone who had the chance to meet you or know you was truly blessed. You were so very kindhearted. Every time you seen me, you said "Hey girl!". I am going to miss that. You never failed to say hello. I'll miss you, Kenny. May you rest in peace with the angels.
