“ *I loved Kimis smile. She had the biggest heart and wanted to watch out for everyone. She helped me on more occasions than I could ever say and I always appreciated what she did to watch out for me. After she began to feel worse I'd always snuggle her in bed every time I visited and she loved it. I 'd kiss her bye and we never failed to say I love you. She told me several times she just wanted everyone to remember her as "a good ole gal and good ole pal." I will miss her much. She loved to fish and has worked on my vehicle more than once. She loved to arrowhead hunt out on the property here and couldn't hardly keep her out of the woods when she was suppose to be working. She could do anything and didn't care to tackle any project. Love to all the family. You will be missed Kimi jo "Hobie" Joiner.*

“ *Kimi was always very nice to me and she treated my son, Cody Page, as if he was her own. Cody spend a lot of time with Kimi and her nephew, Jerrack. This makes me sad. Rest easy, my friend.*
