“ This was our first time going to church together. I just want to say I'm sorry to the family about your loss and also want to say I love you with all my heart Christina Mayfield I love you more than the 7.7 billion people could ever love. I love you more than all the fish in the sea. And I love you more than all the stars in the sky baby I used to tell you that every night rest easy be at peace I love you

Miss peewee, such a turbulent relationship all our lives, but one thing still a fact, she's my baby sister and she was a terd, but would never trade her. Wish she'd been living back here where she belonged. With her family, not bad actors from Henderson and Evansville. Peace on elaine
