“ Laurie and I were friends, classmates and school bus friends at Hollywood Elementary until she moved away. The last time I saw her, I was shopping on Main Street in Columbia when we recognized each other. This was before giant shopping centers. We shopped, ate lunch together and laughed a lot. We sadly lost touch with each other. I often wondered where she was living and how she was doing. I am sad that this is how I find out about her. My sympathy goes out to her family. May she rest in peace. Jane Hendrix Black

“ Laurie and I grew up like sisters. Our families were together every day. We had great times sharing everything. There was never a dull moment. When she moved to Florida, our friendship continued. Love you and will miss you special friend.
