“ *I worked with Lavada for 15 years at Artfaie (packing Christmas paper). She was a special person and so proud of her family. I don't remember their names but she had 2 little granddaughters that came to see her, their Mother told them not to ask for cookies because they had to eat supper first. They came back to the living room with Fig Bars told their Mother it was fruit. This Wes the kind of person she was, she loved her family and her God. Love & prayers to all. Dorothy Westerman*
