

## Lawrence Anthony "Tony" Peyton, Jr.

January 6, 1977 - May 1, 2017

Lawrence Anthony "Tony" Peyton, Jr., age 40, of Madisonville, KY, passed away at 10:35 AM, Monday, May 1, 2017.

Tony met the love of his life when he was 17 years old. After dating for 6 years they were married and started a family. Tony went to college, worked, and was raising small children all at the same time. He graduated from Madisonville Community College with a degree in Information Technology. He was the lead technician at Knights Technology, formerly known as Computer Knights. He loved fishing, boating, and camping at Kentucky Lake. He was a NASCAR fan and had a whole wall in his home dedicated to Jeff Gordon. Tony was a very talented cook, his favorite place was at the grill or playing corn hole at the cookout with family and friends. He was handy at construction work and was really a jack of all trades. He was the first one to volunteer his time and talents to anyone in need. Family was the most precious thing to Tony, and taking care of them was his number one priority.

“ *I am going to miss Tony who designed my computer, made me laugh with mutual geek jokes, and someone I considered a friend and a delight in my life and Diana's. I automatically went to him when anything in a computer setting was needed and I tended to hang around a bit longer to tell stories together and laugh. We had all sorts of in jokes from being two geeks who respected each other and my wife knew to call him if anything went wrong and I was out of town on any gadget we got from him. He was far more than just a technician, but a friend we care about. I am committed already to help in another direction or I would drive to Henderson. I hope the gofundme helps in the meantime. I am going to miss him, but I am going to remember the laughter, the good intelligence, the jokes, and the grin. He is not hurting now.*
