“ *We wanted to express our condolences to all of Lee's family. Lee was a classmate of Tracy's and we remember Lee as a quite man with a wonderful smile. He was a hard worker and always a delight to be with. Even though it has been some time since we have seen him, we will miss him yet we have great memories of the times we spent with him. My God bless you and be with you today and all of your tomorrows.*

“ *Derek,*

Sincere condolences on the loss of your father. Although nothing can replace your father hopefully this saying will give some solace to you and your family: "Death leaves a heartache no one can heal, love leaves a memory no one can steal...."

“ Derek,

Please accept my most sincere condolences on the loss of your Father. No words can express enough sympathy for the loss of your Father, your Friend, your Mentor and no comfort is quite enough to replace the loss. Although I did not know your Father personally, I'm sure his influence reflects through you and portrays to everyone something sincere and good about him. I send my thoughts and prayers to you and your family at this very difficult time.
