“ My husband and I met Leonard in our 20's. He was always a hard worker, fun to be around and just seemed to squeeze more out of life than a lot of us did. even as our family grew and years went by , we still remained friends even if no longer hanging out. Lorie and the kids were friends and she was a co-worker. Sue Gibson was the first person I met in Henderson, we all worked at the stores and she and Leonard became inseparable. I enjoyed listening to their adventures. She and his family are in our prayers. I kind of like to picture Leonard as one of those people who at the end of his life was a "YE HAW I HAD IT ALL" person. Great Guy !!!!.

“ I remember Leonard from years ago at his sister Linda's house. Back then his hair was dark. He was very nice person. I know for Linda and Adel this is very hard to accept. Prayers to all who knew him and touched by his life here on earth. Paula and Don Fraliex

My prayers are with the Phelps and McLevain families. I meet Leonard through Annie & Ginger. I remember the days back in Hebbardsville hanging out with him, Tony Carter, Paul Spencer and all the crew back in the day boy those were the days but Leonard was always a joy to be around. It has been years since I have seen him but I know he will truly be missed. I pray that God wraps his arms around each and ever one of his family member in this time of need..
