“ Mom(Mickey) was just reminding me of the summer that Linda and Kathy were in 4-H and decided to make chocolate chips cookies. They made over 100 dozen cookies together that summer. Even the boys got tired of eating cookies! But it was all worth it come fair and judging time when they received a BLUE ribbon. Mickey still uses their recipe today.

There are so many other wonderful memories of our families together, we are blessed to have you in our lives.

Linda's entire family has our deepest sympathies. We are thinking of all of you and holding you close to our hearts during this difficult time.

with much love.... (((hugs))) from Britt, IA

“ *Aunt Linda, I have so many fond memories I will forever cherish. I will always cherish the time we spent together when you came out to MI to be with me during my surgeries, and the cute lil hospital cap you put on when they were getting ready to take me back for surgery. Your love and support you showed me during my pregnancy and birth of Marissa will stay with me for life and I hope you knew how much it meant to me. I love you more than you could ever know. RIP Aunt Linda...your spirit will forever be with me! I will see you again one day....*
