Linda was a classmate in high school. I married and moved to Hopkinsville. I lived next door to a lovely couple with a daughter the same age as mine. This lady worked all the time and little did I know it was a former classmate. Since I had three children I was home and didn't work. after a short time I met this couple and found her to be Linda, Bobby, and Tracey. Linda was an ideal neighbor and always had a wave and a smile. Later they moved away and two other families bought that house and in 1960s, my family bought it and lived there for man years. then in 2005, I had medical surgery at hospital and here was Tracey as my nurse. what a blessing. Linda raised her daughter with dignity and a kind heart. Rest in peace Linda and Bobby.
