“ *Aunt Marcella has been a part of my life as far back as I can remember.*

I vividly remember one time, I was probably around 8 yrs old, and one of my friends ask "How old is she?" and I replied "She is OLD. Maybe 35!!!"

A few years went by and I was a teenager and another friend asked her age. I replied "She's not very old. Maybe 35". That became our joke. Every year on her birthday, it was "Happy Birthday! How old are you? About 35?"
