“ I knew Mark Lynn all of his life. I've got so many memories that I could share forever and it would make you laugh and make you smile and make you shake your head. But for now I think that what I would like to say about my precious baby brother (although he didn't want me to call him that Lol), Is that he was one of the kindest, most compassionate, truly loving, and extremely intelligent men that I have ever had the privilege of knowing. And I call it a privilege, because it truly is a privilege and a blessing from the Lord to be known as Mark Stephen Lynn's big sister. I love you, Marky, and I'll see you when I get there!
