“ *Mark, I will miss the prank phone calls, the conversations about your empire and who was the better trainer...I will miss the laughter that was provided at the expense of each other, Bryan & Little Brian...the times we all went out to dinner & laughed so much that it seemed to carry us until the next time I came down...I will miss those times!*

Sandy & I have always been so appreciative of you and what you taught us...your wealth of wisdom was always so important to guide us in what we are doing today! Not only will your spirit be apart of our lives but it will also be apart of our business...

Our prayers are with the O'nan family. May the God of Hope fill you with His peace & His strength. May the Love of the Father comfort you with His amazing Love!.
