“ I remember Martha as a Very Ambitious, Independent, Adventurous Woman. She has left a richness of her life through her accomplishments. She has touched many people, even those that didn't know her well. She had a tender heart for every fur baby that came into her home. I will always admire Martha's charitable, caring & selfless nature. Martha adored all her Grandchildren, they were her joy. It was a thrill to have her call me, so we could share Corey & Lila long distance. She would put them on the phone to make sure I was a part of their lives, no matter how far away I was living. I will miss those calls, text & sharing the laughter of funny stories about our Grandchildren, Corey & Lillian, I know they will miss her tremendously. The Special Man in Martha's Life was her loving Spouse Jim. I always loved hearing the stories of how Jim swooped her off to Hawaii, a favorite destination of theirs. Martha was a Best Friend to Jennifer her Daughter & The Second Mom to My Son Camren... who has always loved her as much as he loves me. Martha's kindness was contagious & will live on forever. She was a friend to every fur-baby she touched & her fur baby Sammy, is missing her dearly. She loved unconditionally, was a delight to many & gave comfort to others, including all creatures. I will remember the special times Martha & I spent together. The Wedding Of Our Children, Birth of the Grandchildren & Vacations To South Carolina. My deepest condolences to such a Beautiful Family during this time. Martha will be missed by Us all, but she has left a lasting Legacy, through her Husband, Children & Grandchildren. I am thankful God gave Me moments in life to share spectacular memories of Martha, as she has left a Lasting Memory for Everyone.
