“ *I remember Jumbo from the days when my dad, Ed Parrish, worked at Alles Brothers. I always thought he was a neat person. He was always singing and dancing, riding his bike and he never met a stranger. I never made fun of him because my parents raised me better than that. I lost track of him over the years after my dad stopped working downtown but never forgot about him. Rest in piece Jumbo and say hello to my dad for me. I'm sure you two will have some great stories to tell.*
