“ *My Dearest Mom*

On this 20th, day of March 2012, I light this candle, for you, to know your the light of my world and life. I miss you, everyday and not one day passes that I don't think of you. I think about how much you loved me unconditionally, and always wanted the best of life for me. I want you to know, that you gave me the best of life....you are still in my life, even though you have passed on to the other side, "heaven." You are still my Mom and you are still with me everyday, I think of so many wonderful memories between us, some very funny, some crazy, and some tender moments between a mother and daughter. You were such a good Mother, thats why it's tough sometimes....for me!!! You were always there when I needed to talk, or needed some advice...but somehow in some strange way, i hear your voice, when I need my problems answered, cause I know what you would tell me...Wait for me, at that golden gate....cause when God calls me home, be waiting for me, I will be looking for you.....I love you, Mom ... No one compares too you....no one.....you were my everything...and I am lost without you....but; I know your still watching over me....so you will help guide me.....your forever in my heart..... your daughter, Shannon..
