“ *You were my second mom and I wish I had a chance to say my goodbyes and tell you how much you have meant to me. I love you and you will be greatly missed. I remember the day peaches brought you a mouse and you jumped up on the table. Have never seen you move that fast! Debbie and family I'm sorry I can't be there for you all more. Love and light on your journey forward. All my love Carrie* 💕

“ my sweet sweet Mary how we all love and miss you so much. Thank you for taking me under your wing and and being my 2nd mom and treating me as daughter and treated my kids so well. Jacob after I told them about you passing away his poor little eyes just filled up with tears and all of a sudden he just runs into another room comes back out with this plastic pretty decoration that you and KK had made when you were babysitting one day it is now hanging on my front porch. You will always always be remembered. Fly High Sweet Mary you will always be remembered by the Robinson!!

Prayers to Debbie and all of the family I know this is hard for you guys. I'm so sorry that you all have to go through the pain of loss of a mother, sister and grandchildren whomever. you will all always be a part of my family!!

I wish more than anything that I could come back and pay my respect to a very wonderful woman but finances are not the best and I'm not able to. I'll pay my respects when I come back to visit!!  
God bless you all 🙏🙏🙏
