“ *To My Mary, I am sorry I wasn't able to make it to the service today but I know you are going to be with me always. I will never forget the summers we spent together with you babysitting me. To me though, it never felt like I was getting babysat, I was simply with family at my "other" granny's house. I remember lots of stuff from our times together, from being little sitting on Juniors lap drinking his coffee and pretending I was reading the paper with you both, playing puzzles with you while the other kids were having to take naps and you letting me stay up in another room or letting me have an extra snacks as long as the other kids didn't see. But most of all I will always remember how much you loved me as your own, hugging me and always singing Froggy went a courting while I laid down to sleep. I will forever miss you and keep you in my heart forever. I Love you Mary. Love Erica*
