“ Dear Scott and boys, what wonderful memories I have of your time living across the street from us on Montavesta Road. The boys were little and Mary Anne was always outside with them and I remember her laugh was great as many have mentioned. How she will be missed! God bless you and keep you in the palm of his hand.....

“ Mary Anne was my neighbor on Montavesta when all our boys were young. What fun we had together! MAC made the world a better place with her playful spirit. I can hear her precious laugh right now. Even though her family moved away and we weren't in close contact any longer she remained close to my heart and I loved her dearly. Goodbye dear friend. Glenda

“ I thought about her everyday!! I cleaned her house for a few years. One day i was cleaning the chandler in her dining room. My rag was wet and i touched a hot light bulb, light broke and burned my hand. Mrs Chapman went and got some Lavender oil and put it on my burn area. She didn't know i was allergic to Lavender. She was loved by her family and friends and pets. I really will miss her.
