“ *I just watched the video and it was nice to see. I am going to miss her. Mary Alice had away about her that you had to fall in love with her. I remember her telling me to hurry up and get my butt up here so she could hug me FINALLY! the first time I laid eyes on her. Taking a picture of her with out Mary Alice realizing that something was missing and then finding out it was a camera that had a film in. Oh my that look she gave. But her laughter at herself was priceless. Prayers are still being sent to the family.*
