“ *Mike, Larry Jordan and I were friends back in the 70's. We used to wrestle like the guys on tv. He about broke my leg on accident one time when I let him put me in a figure four leg lock. He always told me that I was crazy but we had a lot of fun. I remember the day we almost set the field behind Larry's house on fire. My family moved to Spartanburg, SC when I was 13 and we would occasionally talk to each other on the phone. I am saddened by this news. We always talked about one day seeing each other again, and we will when my time comes. My son passed away on March 7th, 2021 and when I saw this my heart and prayers were sent your way. I will be praying for you all in this time of loss, sadness and grief.
Sincerely and with great sadness, Kurtis L Fields*

“ *Love and Prayers for the family! So sorry to hear of his passing! I lived down the street from from Mike in my early teen years. I have a lot of fond memories. Mike was a very good friend, we would play basketball in his backyard, cut a few trails in the woods between the KC hall and Hunky Blues. We spent the night at his grandma's a few times. We would go rabbit hunting with his dad Jack and it will always be a fond memory! When Mike got his drivers license, he would drop me off at the old 9th grade center. We would cruise the streets of Henderson and go to Evansville and the North strip among other places with Morris Yates. We would camp out , go fishing etc. I always enjoyed spending time at his house with him, Jack and his mother Irene. We had several good meals and drank Double Cola.*

I remember his sister Barbara and her son Eric, he was a cute curly haired youngster if I remember right! Later on in life , I guess we followed different paths. That is a regret on my part.

My Love and Prayers for the family!

Thanks for the great times!

“ *I'm just in utter disbelief. Mike and I were the best of friends all through school, I have home movies of him at my birthday parties, 7-8 years old, no sound naturally. Mike was a hard worker and a great Ball player. I pray for his family especially that God sends some peace in their hearts. It so important to have our lives in order. Rest In Peace Mike, My Friend*
