“ Mike was a great friend. He was a great man. For the people that knew him he will be greatly missed.
I feel I sorry for the people that weren't fortunate enough to know him.
Their loss is greater than ours.
We were fortunate to have had him in our lives.

“ I had the privilege of working with Mike at the Century Lab before I retired again last year. It didn't take long for us to realize that we shared a love of good food. Mike cooked a lot of delicious meals for the guys in the Lab. I mourn the loss of a friend who had the greatest laugh and who could always bring a smile out of everyone. I want to extend my condolences to his children, parents and other family members.
