“ *Dear Glunt Family,*

Please accept our deepest sympathies for your loss. Loosing a family member is never easy; even when it follows a long, painful, struggle as in the case of Mr. Glunt. Please take comfort in knowing how much he meant to so many. Through your own lives, his influence reaches so many he may have never known. In our specific case, his son, Ben, is a role model and leader for me and many others in our company (F&H). I'm sure Ben's character, integrity, and love of the Lord originated with the direction of a Father he loved and admired. I am truly sorry to not be able to attend the services, but want you to know your family is in my family's prayers.

*Sincerely,
Stan King and Family
