*This news is so sad and heavy on my heart. I went to high school with her. Misty was a very special person. Though I haven't seen her in years, she had a sweet personality that will always be remembered. Praying for her family that God wraps his love around them and gives them peace in this time of sorrow,*

“ There aren't any words that can convey the sorrow I feel for all of Misty's families, especially her children .

*I remember so clearly the summer she went on vacation with us to see Danny's mother in New York. I remember Misty and Libby reading the maps to Jennifer as she was taking us to see the Statue of Liberty. To this day I still can't read a map correctly. There are just so many memories that we will cherish forever.*
