“ *Nadine was the very spirit of tender kindness to me when I was a little girl. She and my mother, Winnie Moats Wilson began their devoted friendship as teenagers and were never far from each others thoughts. I always admired her old fashioned virtue of being a fine homemaker and tried to emulate her in her many ways. When we visited Henderson I remember Nadine standing in Billie Jean's doorway, her head tilted, a soft smile playing upon her lips as she told us good night and to say our prayers. A blessed mother, a true and gracious lady.*

“ *Monique and family. I'm so sorry that Nadine has passed on. However I know she is int he loving arms of Lord and that that should give you all some comfort and knowing that she is no longer suffering. I enjoyed the times that we were in Nadine's company. She was a fine woman. I know she will be missed. Someone told me that if God woke you up this morning he isn't done with you. I guess Nadine had fulfilled God's plan for her.
