“ Nicole you will be missed more than you will ever know. You had the world and just didn't realize it. Didn't get to see you often but we always talked when we did. Started when you worked at Buy -Low and the letter you wrote about Buddy when you applied for scholarship was beautiful! Please don't drive your motorcycle fast in heaven as you will be with a lot of special people and don't want you running over there toes. I will be praying for the ones you let behind you will be so missed! Sue Hagan

“ *It's hard to believe. I can still remember the conversations in Mrs Robinson class our freshmen yr. No matter what it was it always ended with bananas or monkeys or a weird combination of the two. You'll be missed girl. Wish we had kept in touch more after graduation.*
