“ *I went to U of E in the early 80's and was a Teke like Cy. He was a charter member of our chapter at UofE back in the late 50's.*

We loved going to the For-Get-Me-Not Inn. We practically lived there. I will always remember Cy as a nice and friendly man. He had a great attitude ? always upbeat and always smiling. I will also always remember a certain gift Cy had with people. If he meet you one time, he could remember your face and your name forever. It was amazing to watch him be able to do this.

Thank you for all the good times you allowed me to have during my college years at the ?Flower Shop?.
