“ I still can't believe the call I got on that Friday morning, after talking to you not even 12 prior to your passing. I loved you as my own son, you was apart of my family for years, and Joseph, he was just as part of it as you was. I know things happen in life and family, friends seem to drift apart. But when times get tough we always try to be there for one another. And you was, I will never understand it, as I still here to this day don't understand about Michael, it's really strange cause he was 33, and you are 32, both y'all birthday is on August 19, and your where he was this time of the year, back in 2018. Fly high son, you and Michael, watch over each other, and Shannon. R,I,P.
