“ *As I sit and reflect on the past two years, I can't help but recall the brightness Olivia brought into our lives and into the walls of Henderson County Water District. From the moment she first walked through our doors, Olivia had a way of making everything feel lighter — like the sun had come out just for a little while, even on the cloudiest of days.*

*She didn't just manage the front office — she was the face of it. Customers didn't simply come to pay their water bills; many came to see Olivia. With her warm smile and a laugh that could lift your spirits in an instant, she greeted everyone as if they were family. She had a gift — a rare one — the ability to make others feel seen, appreciated, and cared for. People felt better after spending just a few moments in her presence.*

*As her supervisor, I can say it was a true privilege to work beside her. Olivia had a way of making the workday more fun, more manageable — even when things were tough. Whether it was a hectic Monday morning or a random Thursday that needed a little joy, Olivia had our back with her positivity, grace, and an impeccable knack for making the office run smoothly while keeping morale high.*

*Olivia wasn't just our office manager — she was the heartbeat of our workplace family. Her sudden passing has left a void that cannot be filled, and our hearts are heavy with grief. But in our sorrow, we hold tightly to the joyful memories, to the sound of her laughter echoing down the hall, to the countless moments she made life better, simply by being herself.*

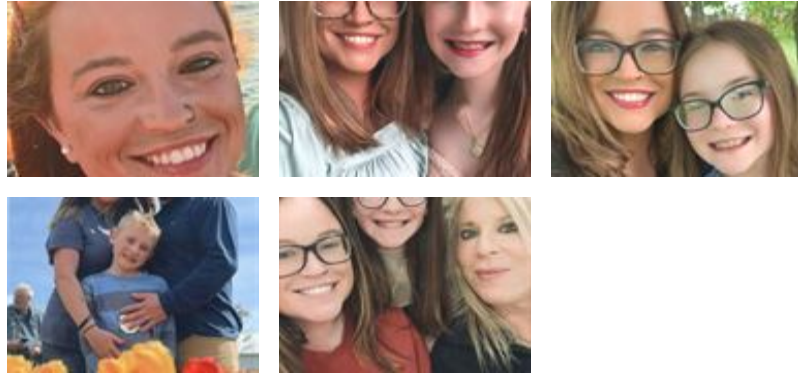

*We will forever miss her kind heart, her warmth, and the way she lit up every room — and every life — she touched. Rest peacefully, Olivia. You were truly one of a kind, and we are all better for having known you.*
