“ *Over the last 40 years we have shared lots of laughs, some arguments, some tears but what will always remain are the good memories.*

On one of the many trips we took to northern Indiana to see our husbands while they worked at the steel mills, we were shopping for groceries when we found a 10 dollar bill on the ground. We finished our shopping then went to a nearby restaurant to have a nice pork chop meal that we paid for with the \$10. It may sound funny but in the early 80's, \$10 was a big deal and so was the more expensive pork chop meal.

Rest in peace, Gail.

Louis and Kendra, you will always be in our thoughts and prayers. Gail will be watching over you from her place in heaven.

“ Dear Gail,
I do not speak for anyone else, I speak for myself. My heart aches over the huge loss of you.

You were the most loyal and dedicated friend I could have asked for these past 50 years.

We were not sisters by blood but still sisters in our hearts.

I will always love you Gail and I look forward to the moment that we meet again.

May God bless your family.

Your friend always,
Sharon
