Patty was generous beyond measure and above all else she was extremely proud of her grandsons.

“ *Patty always was a loving, caaring, compassionate person. She was one of the most creative and talented people I have ever known. I know where her children got their talents as well (even though I do think some came from Jim) .*

I know she wasw a person of great faith in the Lord and served him well. She was a helper, a planner and a doer. In her life i think her priorities were

God

Jimmy

Tracey, Kellie, Shea, Brian and Jackie and her precious grandsons.

I loved her for being who she was and how she loved others

Kenny.
