“ *I am so sorry for your loss. I know she will be greatly missed. It has been many years since I seen my Aunt Pat that is what I called her when I was much younger. She treated me like one of her own and offered me a place to stay and a listening ear when I was in need. She taught me many things like hand it over to God and trust his direction. Aunt Pat taught me to crochet (she was left handed & I was right which took some patience) I still crochet today but I will never be as good as her. She opened my eyes to thrift shopping we had so much fun doing that and yes I still do. I remember her winning all the time on the radio WPLO. I have so many fond memories of her and I never got to tell her how much I appreciate all she done. Pest in Peace. With much love to my family in Kentucky. Debugs..aka Dewanna Brooks/Huggins*
