I met Patsy when attending Baker Grade School. She was always fun and a kind person. I'm thankful for technology that helped us reconnect in our adult lives. God bless all of you as you go through this grief.

“ I am so sorry to hear of Patsys passing. She and I shared a lot of special fun neighborhood memories. Spent a lot of fun overnights. Great parents that tolerated many pranks. Shared so many young laughs and bike rides. My condolences to her family. She will remain in my special memories. *BETTY Jamison Wargel*
