“ *What a wonderful tribute to Paul. I am so glad I got to see his family. We went to Holmes Community college together. We had talked a couple of times over the year. Him telling me out dear friend Paul Fugate passed away at age 47. I know they are running the basketball court again. I always loved watching him play basketball. He was smooth.*

I am so glad I looked for him again but SAD THAT HE IS NOT HERE TO TALK .

“ *Paul was a kind and gentle man. He had a big heart of gold. He treated me like his little brother in my younger years and I will never forget how nice he was to be growing up. Rest well my friend*
