“ *3 little neighbor kids holding hands walking down the alley between Mr and Mrs Clarks house and ours....she introduced herself, invited us to church and treated us like her grandchildren. She and Mr. Clark took us to church, would make us treats like Sugar Easter eggs and even make us girls Easter dresses. She might have been small in size but she was mighty in stature and planted Gods word in the 4 kids hearts that moved behind them way back in 78' Luane and Roger your parents were the epitome of Gods love and we are so grateful for so many fond memories of your parents!!! Prayers for the family and all who love her! But I know one handsome man that is beyond excited to meet her over there! May Gods peace be with you!*
