“ *The Peggy I knew was the sweetest most humble woman. In my presence she displayed a love for Gary and a love for God that was undeniable. She was always so gracious to me and my family. I remember the time that she and Gary came over for Gary to work on our computer and Peggy sat and helped my son with his homework. She read a story with him from his book and she helped answer the questions at the end. It was so sweet. She took her time and made sure he understood as she went. She was more than helping him with his studies, she was blessing him with the gift of caring and it showed. I treasured the moment because it's always a blessing when someone else takes time for your children. My memories of Peggy are sweet and precious. I am so sad for her loss. My heart breaks that she left us too early. She will be missed. In Christ's love, Kim Smith*

“ Dear Gary and Celeste,
Words can't express my sympathy. Peggy was such an inspiration to others who were searching for Jesus and His magnificent love. She was personally responsible for me rededicating my life to Him. She will be missed by so many. I had many good times up there in your alls little apartment worshiping and fellowshipping in the Lord. I dont take a paper and Cheri emailed me today after her mom called to tell her. If i can do anything...please just call and i will be there. my number is 812-489-0302.

May the All Mighty cover you with His merciful wings and shleter you in His precious arms. My heart just breaks for all of you. Remembering Peggy in Christ, your friend always, Susan

“ I remember when I lived in the same apartment building as Peggy and Gary. They were very helpful in running me around to get my documentation to travel to the Philippines to get married. Her encouraging spirit was a comfort to me when I decided to take such a huge step in my life. I will never forget the laughter and prayers we shared in. She is in a better place;in that I can rejoice. But I weep for sself and others for losing such a wonderful person that I am proud to have known.
