“ *Preston and I were born 3 days apart. Our fathers were brothers, we lived just a few houses apart. The memories that we have shared remain with me as I enter the Autumn of my life. I cannot stop the sand from flowing between my fingers. I cannot hang on to even one grain, but if I could I would save it for you Preston. You were like a brother to me, from grade one to grade twelve we were together. It is hard to let go.*

“ So sorry for your loss! We were childhood buddies from 4 and 5 years old throughout our teens. I remember playing with our toy cars in their back yard in our little dirt roads.
I remember his dog "Tracks". For his big paws. R.I.P. Preston Earl!
You will be missed by all!
