“ *R.I.P. Randy. I'm going to miss you my friend. My best memory of you will be the first time BOB & TOM played your lyrics of "Who Let the Dogs Out" on their daily show. It was played daily. At that time we worked together in the rework department so we heard it everyday. But you'll be remembered by the W.I Family as a caring and loving individual. Praying for Charlotte, your daughters, and family and friends . Take care and continue your relationship with God. Play some of that music in heaven*
