

Randy Turner

September 30, 1963 - November 16, 2013

Randy Turner, age 50, of Henderson, KY, passed away at 4:13 PM, Saturday, November 16, 2013, at Jewish Hospital in Louisville, KY.

Randy was a hardworking man. He owned his business, Turner's Towing, starting it from the ground up and operated it for eight years. He then drove with Ratley's Trucking for many years. In Henderson, he managed Royster's Autoplex until he could no longer work due to his illness. He was a man of integrity who would do a good job at whatever it was he chose to do. People he did business with recognized and remembered him because of that.

Randy never met a stranger. He was a funny man who could engage anyone with his quick wit and big smile. He could make anyone laugh. He was a friendly and outgoing man. He loved sports, especially baseball and softball and Kentucky Wildcat Basketball. He loved playing ball with his kids. He coached their teams and cheered from the sidelines. He was their biggest fan. He was a good guy all around; a great dad, a great husband and a wonderful friend. He and his contagious smile will be missed greatly. He was loved dearly.

Survivors include:

Parents, Albert and Betty Turner of Morganfield, KY

“ Sheila and family, Betty, Albert, Greg and David,
There are no words to express how much we will all miss Randy. We always had such fun as kids on camping trips (after Dad finally got there...with Mom's help). Most of my favorite memories are of us as kids when you lived in the trailer. We had a lot of fun outdoors. When I think of Randy, I picture the photo of him in my senior yearbook. I was in charge of the sports section, and we didn't have any baseball pictures of the lone senior, Randy Sheffer. So I staged a shot with Randy (Turner) as catcher, another kid as umpire (big Rod?), and Randy Sheffer sliding into home. We took the picture from the pitcher's mound. It was so staged and unrealistic...especially, because there's Randy with the ball in his glove, eyes all aglow, smiling and laughing directly into the camera, as the base runner is sliding into him. For me, it captures Randy's personality. I will miss him.
