“ *Too many precious memories to name just one. All I know is this, when he looked at me his expression was that of love. No matter where I saw him at he always smiled and hugged me. That as what I will miss he hugs. His hugs were like being wrapped around the arms of the Almighty!!! They were not the hug of a casual acquaintances. It was as if he didn't want to let go and the truth of the matter is; I'm sure he didn't. The world is saddened by his departure but the heavens rejoiced...*
