“ Dear Peggy:

I am so sorry to hear of Richard's passing. When our class last met for breakfast he said that he was not doing well but I did not know that his condition was this critical. I know that you were right there with him all the way and you certainly were the love of his life.

Richard was one of my very best friends in high school and I credit him, James Wade and Teddy for keeping me in line during those important years when fast driving and other vices could have drastically altered my life.

My heart goes out to you and your family at this time but we can all rejoice that Richard was a good strong Christian man and he is with his Lord and Savior now.

I pray that God will grant you peace and strength during this difficult time.

Love.
