“ *Richard what can I say about him...Well he was a good man. He could make me so mad and in 5 minutes have me laughing. Mine and Richards journey together started over him needing a cup of sugar and even though things didn't work the way we planned, we remained friends. RIH you will be missed.*

“ *Richard was a great guy. He was so good to my sister Shelby and treated Gavin and Riley as his own children. He was always so animated and entertaining when telling a story, and he ALWAYS had a story to tell. I still can't believe he's gone. It breaks my heart to see my sister suffer this great loss. We love you, Richard. And we miss you dearly.*
